

## **ELIZABETH PARKER**

Elizabeth has been dancing since the age of two. Her dance education and training includes ballet, jazz, musical theater, lyrical, hip hop, contemporary, point and instruction for kids with special needs. Through the years of dancing and competing she also took on the role of becoming a competitive Songleader and Captain for the high school team. She has taught through numerous dance studios around Riverside County area, from all styles and all ages.

Elizabeth has always had a passion for dance and working with children. She received her Bachelors of Science degree at California State Fullerton, majoring in Child Development. Now as a parent, she enjoys watching her daughter light up while dancing on stage. Dance has always been her biggest hobby and she can't wait to share her love and passion for dance with the South County Dance team.
