Friday	A											
	B		Fundamentals: For beginning to advanced dancers. This class will focus on the importance of basic technique and movement progression. Students will work on a wide range of dance fundamentals such as isolations, improv, mind/body connection, counting music and flexibility.									
	C		Progressions: This class will focus on short combos and individualized movement and musicality training.									
Sat	C		NOTE: Privates - please arrange with the teacher.
